There may be private holdings within and adjoining the  
boundaries of public lands.  
Please respect all landowner restrictions.  
Public use of private land is a privilege, not a right.

FOUR-WHEELING  
IN A WORKING  
LANDSCAPE

- ◆ Respect Private Property
- ◆ Ride Responsibly
- ◆ Stay Safe
- ◆ Use Common Sense!

Riding on private property  
in Maine is a privilege  
not a right.

Our rural economy & lifestyle  
depends on respect for  
private property.

- ◆ If private landowners suffer damage  
from irresponsible ATV use...
- ◆ If logging operations are  
inconvenienced or hindered by  
careless ATV riders in their way...
- ◆ If blueberry or potato fields and other  
crops are damaged by reckless ATV  
riders...
- ◆ If tree farms, planted seedlings, or  
natural regeneration is damaged...
- ◆ If ATV's trespass on closed trails or  
roads...then

WE WILL LOSE  
OUR PRIVILEGE  
TO RIDE.

A Special Thanks to all  
Cooperating Landowners  
without you these trails  
would not exist!

This is not a Trail Riding map.

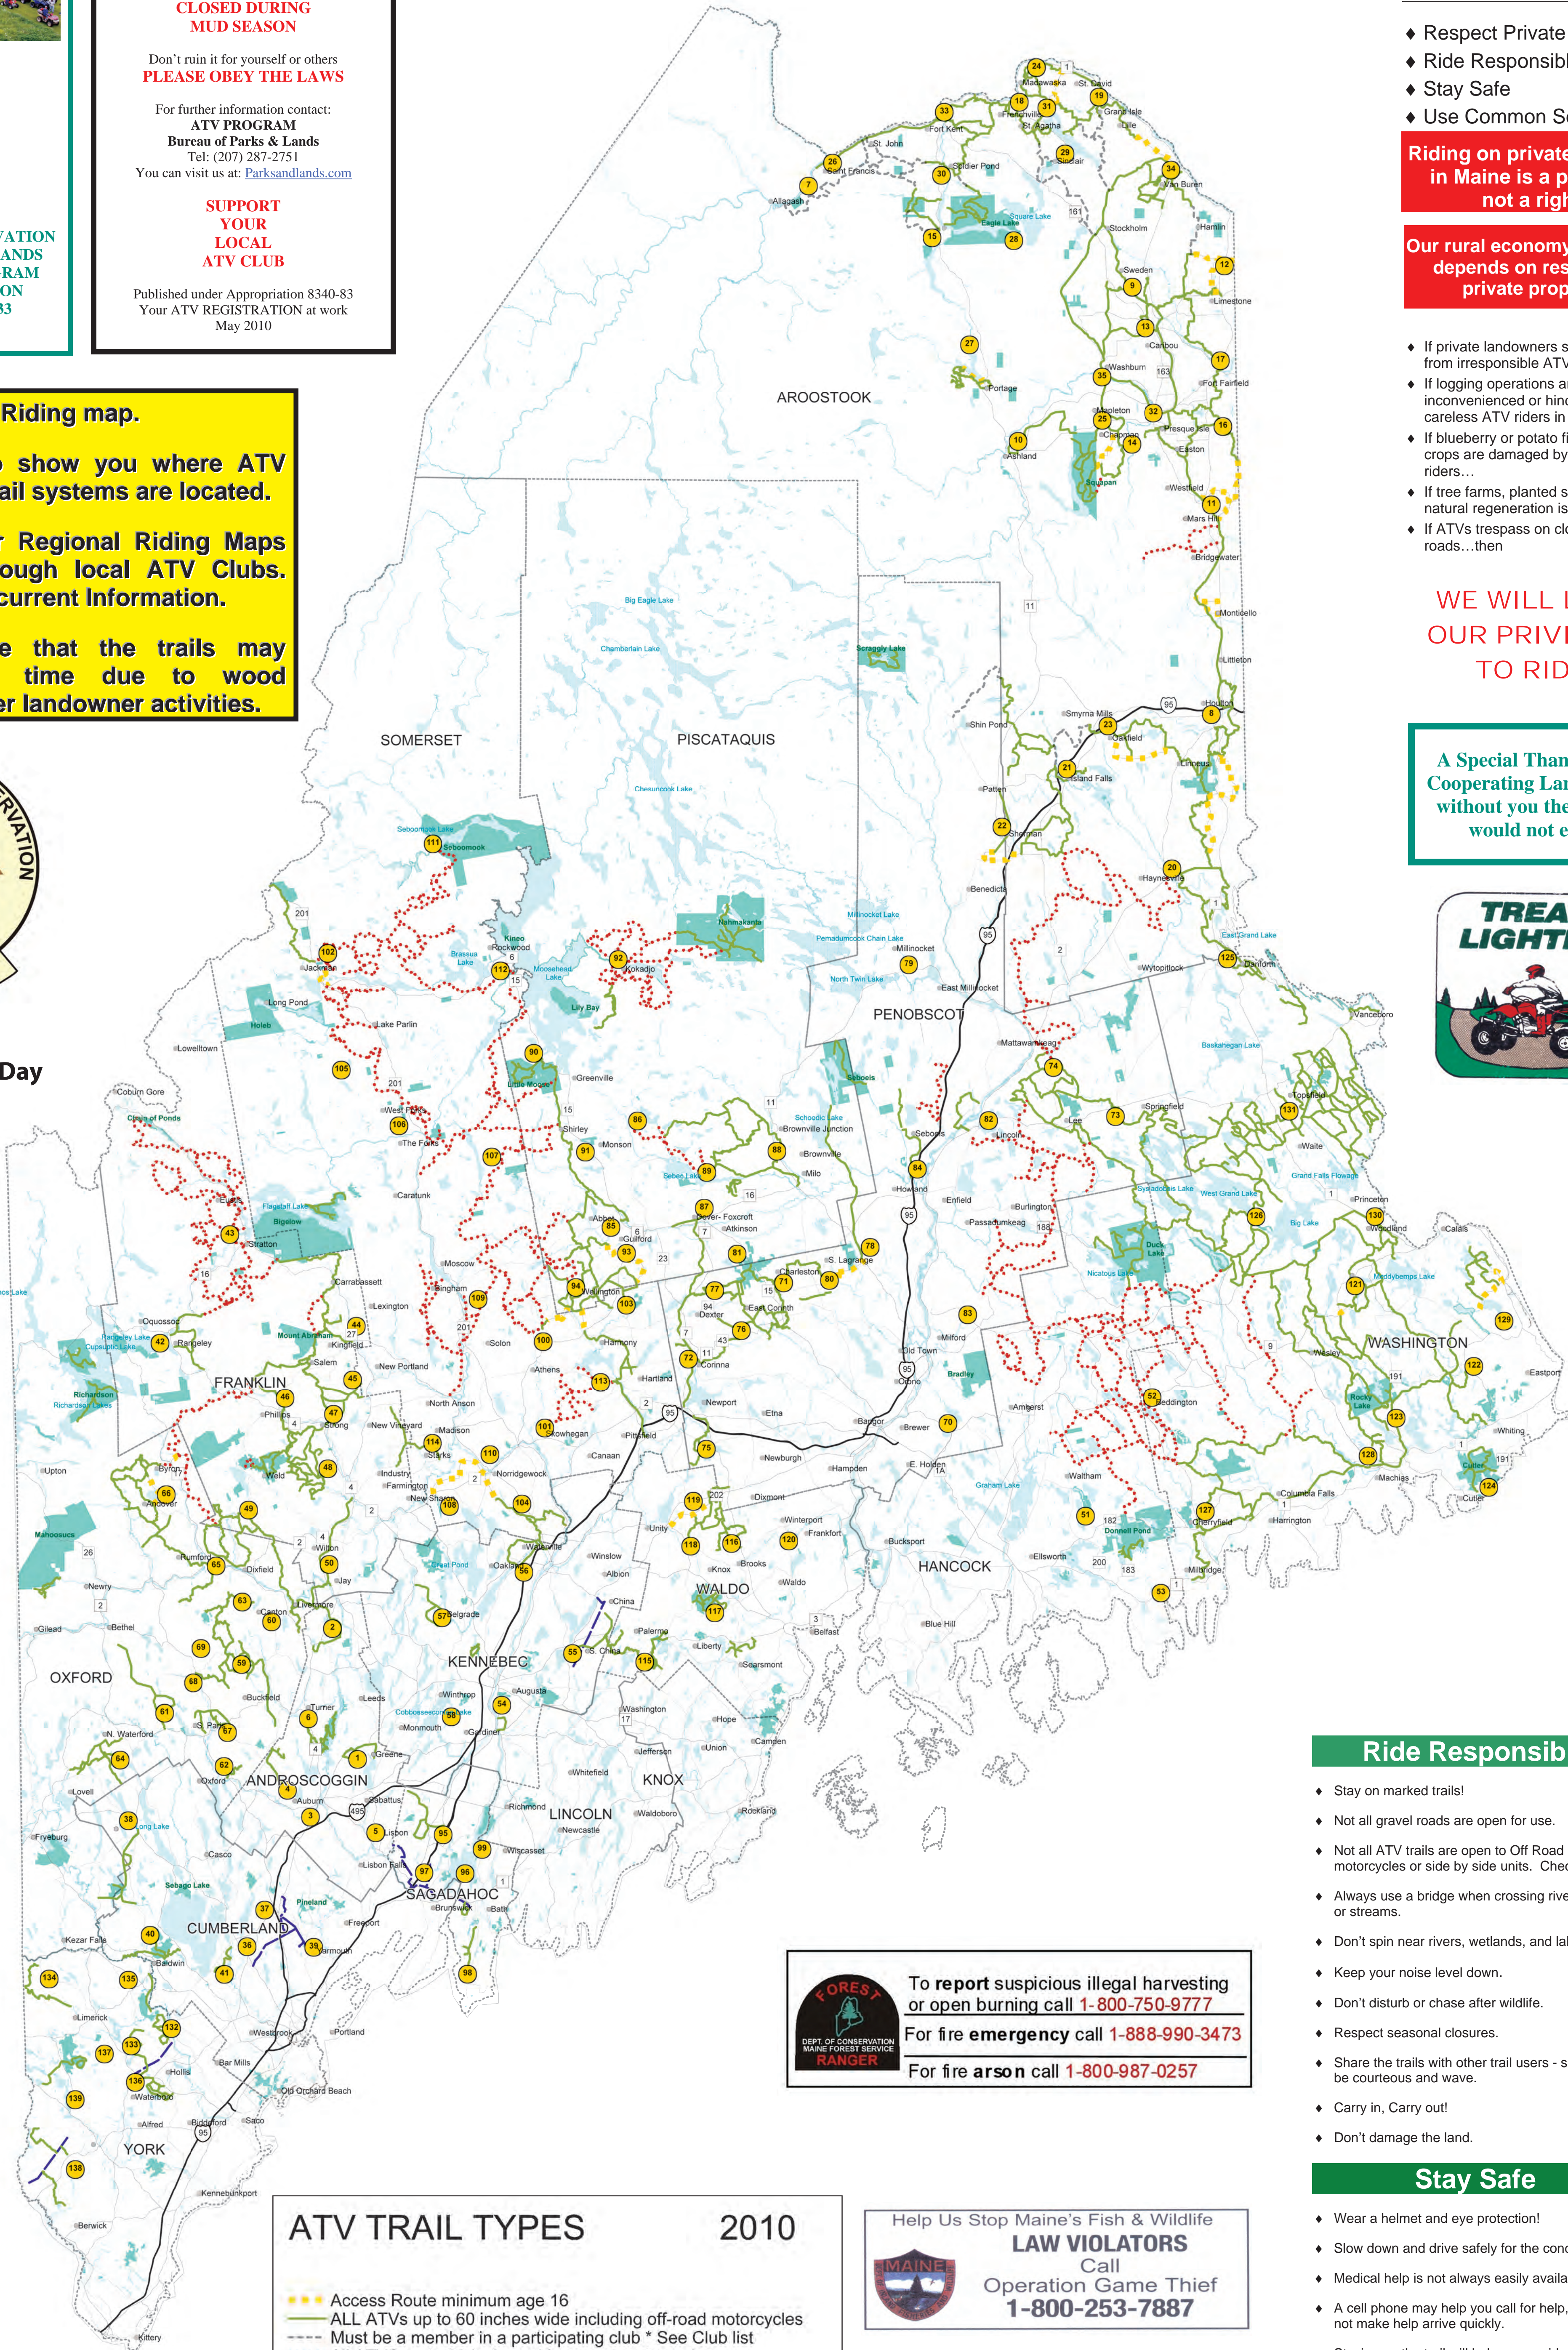

It is designed to show you where ATV  
Clubs and ATV Trail systems are located.

Detailed Local or Regional Riding Maps  
are available through local ATV Clubs.  
Contact them for current Information.

Please be aware that the trails may  
change at any time due to wood  
harvesting or other landowner activities.

Ride Responsibly

- ◆ Stay on marked trails!
- ◆ Not all gravel roads are open for use.
- ◆ Not all ATV trails are open to Off Road  
motorcycles or side by side units. Check First!
- ◆ Always use a bridge when crossing rivers, brooks  
or streams.
- ◆ Don't spin near rivers, wetlands, and lakes.
- ◆ Keep your noise level down.
- ◆ Don't disturb or chase after wildlife.
- ◆ Respect seasonal closures.
- ◆ Share the trails with other trail users - slow down,  
be courteous and wave.
- ◆ Carry in, Carry out!
- ◆ Don't damage the land.

Stay Safe

- ◆ Wear a helmet and eye protection!
- ◆ Slow down and drive safely for the conditions.
- ◆ Medical help is not always easily available.
- ◆ A cell phone may help you call for help, but it will  
not make help arrive quickly.
- ◆ Staying on the trail will help you avoid an accident.
- ◆ Help keep trails safe! Clear hazards such as  
downed trees. Report anything you cannot fix to  
the local ATV club.
- ◆ Logging trucks drive fast down the middle of the  
road so stay out of their way.

# Commonly asked questions on ATV Use in Maine

## Landowner Permission Information

1. Do you need landowner permission to ride an ATV? **Yes**
2. Do I need to carry written permission for every trail? **No**
3. Does any landowner permission have to be in writing? **Yes, if you are on cropland, pastureland or an orchard and are not on a designated trail.**
4. Do I need permission if I am on a trail? **Not, if you are on a designated (signed) ATV trail**
5. Can a landowner have an open land policy? **Yes, any landowner, including farmer, can have an open land policy.**
6. Where can I ride my ATV? **On designated ATV trails, land open by landowner policy or where you have landowner permission.**
7. If I have ridden somewhere all my life, do I still need to get permission? **Yes, unless it is already a designated ATV trail or the landowner has an open land policy.**
8. Who enforces the landowner permission requirement? **Generally law enforcement agencies but the law requires persons operating ATV's on the land of another to stop and identify themselves upon request of the landowner or the landowners duly authorized representative.**
9. If I am stopped and asked about permission, how do I prove I have verbal permission? **Give them the landowner's name that gave you permission to ride.**

10. How can I tell if a trail is a designated ATV trail? **It will have either the Trail ID or the Trail Blazer, which are green and white ATV signs with the ATV symbol. See signing guidelines at [www.state.me.us/doc/parks/programs/ATV/atv.html](http://www.state.me.us/doc/parks/programs/ATV/atv.html)**
11. Have all the large landowners closed their property to ATV's? **No, many landowners are authorizing ATV use through clubs on designated trails.**
12. What is the fine for riding on land without permission? **Up to \$500 plus the potential loss of licenses and registrations issued by the Department of Inland Fisheries and Wildlife.**
13. Can I ride on power lines and pipelines? **They are privately owned and you must have landowner permission unless it is a designated (signed) ATV trail.**

## Law Clarification

1. Are Off-Road motorcycles considered ATV? **Yes, under Maine Law they are considered an ATV and must be registered as one in order to ride off your own land.**
2. Is it true that I can lose my hunting, trapping, guiding, and fishing licenses for certain ATV violations? **Yes in addition to paying a fine you can lose your licenses depending on the offense.**
3. Who should landowner's call if they have a problem with an ATV on their property? **For issues in progress, call the nearest local law enforcement agency. For an ongoing problem contact the Landowner Relations Director at 287-8091.**
4. My ATV is registered in another state, so do I have to register it in Maine? **Yes, all ATVs are required to be registered in Maine to be operated here.**
5. Are you allowed to ride an ATV on a road right-of-way? **You can travel up to 500 yards on the extreme right for the purpose of crossing as directly as possible a public way, bridge, overpass, underpass, sidewalk or culvert. You can travel further only if it is an authorized ATV Access Route.**
6. What guidelines apply to ATV access routes on public roads? **They have to be authorized by the "appropriate governmental unit" which means the Department of Transportation, County Commissioners or Municipal Officers within their respective jurisdictions. Routes will be conspicuously posted at regular intervals for travel on the extreme right.**
7. Can I register my jeep, dune buggy or pickup as an ATV? **No**
8. Do the ATV Laws apply to my dual sport motorcycle? **Yes, when used off road.**
9. Is a tree farm considered cropland? **No, However; damaging trees in a nursery or tree farm is considered abuse of property and carries the same penalties in law.**
10. Are landowners liable if they allow ATV use on their property? **No, Maine's Recreational Liability Law protects them except for a willful or malicious failure to guard or warn against a dangerous condition; or if they charge a fee for exclusive use. The ATV Program also provides liability insurance to protect the landowner who authorizes a designated ATV trail.**
11. Are helmets required? **Yes, everyone under 18 including passengers but we encourage everyone to wear them. Safety First.**
12. Can we ride along active railroad tracks? **No. Any use except for crossing at approved locations is prohibited.**
13. Can I ride my ATV on the snowmobile trail? **No, unless it is also a designated ATV trail or you have landowner permission.**

## Trail Information

1. How much of my ATV registration goes to clubs and trails? **Approximately 50% goes to the ATV recreational management fund for club and trail development.**
2. Are there any trails open to ride? **Yes, Maine has 6000 miles of designated ATV trails with the longest interconnected ATV trail system in the country and the number of clubs and miles of trail continue to grow.**
3. Are there official opening and closing dates for trails? **No, but the law does provide for a mud season closure. Actual closure dates will vary across the state based on local conditions. Landowner or clubs have the right to close trails at anytime due to trail conditions.**
4. How can I find out where it is OK to ride? **The easiest way is to join a local club. There is a list of the ATV clubs on this map. You can contact the Department of Conservation ATV Program at 207-287-2751 for a club contact phone number or E-Mail address or you can visit [www.ATVMaine.org](http://www.ATVMaine.org).**
5. Do I have to belong to a club to ride? **No, but we encourage it because the clubs are taking the lead obtaining permission and maintaining the trails, creating good will by addressing landowner problems, and they need your support.**
7. Can I ride on state owned land? **Yes, you can ride on signed shared use roads or designated ATV trails. There are many locations and properties where this is allowed. Check with the local Fish & Wildlife or Parks & Lands staff for current information or contact the ATV Program.**
8. Are there any park and ride locations for ATV's? **Yes, most clubs have locations to unload and access their trail systems. Contact a local club for current information.**
9. Is there a list of authorized ATV Access Routes? **No, the ATV Access Routes are generally authorized in conjunction with a local club trail system. Generally only a portion of road is open. Check with the local club and obey the posted signs.**
